

# Temple Avodah

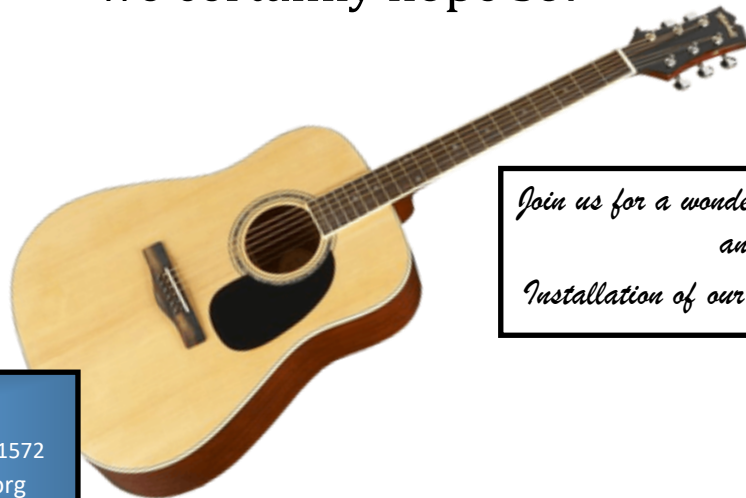

**Carole King - James Taylor**

**Shabbat**

**June 21st**

**7:00**

*How Sweet It Is that You've Got a Friend* and know that even *Fire And Rain* and *Chains* won't stop us from having a Carole King and James Taylor Shabbat! You'll *Feel the Earth Move* when we sing our prayers to songs you love. Of course *it's always good to know that you've got a friend* at Temple Avodah. *Will you still love us* at the end of this service... we certainly hope so!

*Join us for a wonderful evening of prayer  
and the  
Installation of our officers and trustees.*
