

## **JOIN or RENEW YOUR MEMBERSHIP IN MEN'S CLUB**

Our Mission is to bring together the Men of Temple Avodah through camaraderie and togetherness, embracing the ideals and teachings of Judaism to build our Jewish Community and support Temple.

As a team, we work on projects to promote Temple Avodah as our Jewish home. Our Temple's menorah and sukkah were designed by Men's Club and erected annually by our members.

As a social club, we hold a Speaker's Breakfast series featuring Jewish issues and host other events where members interact and exchange ideas and stories. Our monthly card night is very popular and open to non-members. It has become a social melting pot.

Men's Club proudly provides financial support for Temple programs, such as Bar and Bat Mitzvah presents, and the Chanukah & Sukkot events. Temple's enhancements we support include the security system, landscaping planting and sprinklers, and we installed a stove in the Rudich building's kitchen.
