

Temple Avodah

Preferred Merchant Program

What is it?

Temple Avodah is partnering with select merchants in and around the Oceanside community to offer temple congregants preferred pricing in the form of special member only discounts.

What will the vendor get in return? More Business!

Each participating vendor will be listed as a preferred merchant in a special section of our website, www.avodah.org, which will provide continuing exposure to over 1000 congregants.

Everyone loves a discount - this program is expected to drive additional business to participating businesses. Our congregants will want the exclusive discounts and will want to deal with businesses that support the temple. Temple Avodah members will have a member id card to mention and/or present to you.

What does it cost?

Nothing – there is no out of pocket expense whatsoever.

What discount must be offered?

Typically, discounts are 15%, but it's up to you. Additionally, you may put stipulations on the discounts, i.e. 15% discount with a minimum purchase, or only valid weekdays, etc.

What commitment must I make?

We ask you to give it just one year to see how it goes.
