*Donation levels listed above are the minimum amount for each Leadership level.*

**Donations of \$54 - \$1,799:** Please set aside April 2nd as your scribe day. Our scribe will select the specific location of your enhancement.

**Donations of \$1,800 and up:** Start by speaking with Rabbi Goren to select a passage of personal significance...i.e. your Bar or Bat Mitzvah portion or the portion of the day of your wedding. On one evening, to be determined by the availability of the largest number of donors in this group, our scribe will provide individual attention and roll the Torah to YOUR specific portion for your enhancement.

\*Immediate family means spouses and their children. Only Temple member families are being offered this opportunity at every Leadership Level.

Only one enhancement is available per family and donation.  
Families will share the completion of their Torah enhancement.
