## Preferred Merchant Program

### What is it?

Temple Avodah partners with select merchants to offer temple congregants preferred pricing in the form of special member only discounts. The merchants who are invited have been suggested by our members.

### What will the vendor get in return? More Business!

Each participating vendor will be listed as a preferred merchant in a special section of our website, which provides continuing exposure to over 1000 congregants.

### What does it cost?

**Nothing** – there is no out of pocket expense whatsoever.

### What discount must be offered?

Typically, discounts are 15%, but that is up to you. Additionally, you may put stipulations i.e. 15% discount with a minimum purchase, or only valid weekdays, etc.
