Prayer

אל מלא רחמים שוכן בפרומים. המצא מנוחה
נבוכה תחת כנפי השכינה. עם קדושים וטהורים
כהר הרקיע מזהירים. לגשמות יקירינו שהלכו
לעולמים: בעל הרחמים יסתיבם בכתר בנפיו
לעולמים ויצוד בצרור החיים את-גשמתם. ::
הוא נחלתם. ונתנו בשלום על משכבם.
ונאמר אמן:

O God, full of compassion, Thou who dwellest
on high! Beneath the sheltering wings of Thy
presence, among the holy and pure who shine
as the brightness of the firmament, grant perfect
rest unto the souls of our dear ones who have
gone unto eternity. Lord of mercy, bring them
under the cover of Thy wings, and let their souls
be bound up in the bond of eternal life. Be
Thou their portion, and may they rest in peace.
AMEN.

A GIFT FROM GOD...

If I could ask for only one precious thing to always carry with me and if only one thought could remain with my soul, it would be the memory of my loved ones who are no longer physically with me but whose legacies remain alive in all my actions.

The lives of those we love are a gift from God. At this very solemn moment, during this sacred day, we remember our departed loved ones with a feeling of infinite gratitude. We thank the Almighty for giving us the chance to experience their love and their contribution to our own existence.

We remember now parents, spouses, siblings, children and friends who have made a true difference in our own world. They have touched our lives in a unique and most profound manner. Today, we think; now we remember; and soon, with the words of the Kaddish, we will thank God for the opportunity to have had our loved ones.

Each word we recite during the Memorial Service is a recognition of how wonderful life is and how precious it was when we had our loved ones with us. During this service, we affirm the value of life and we acknowledge that God is in charge of the secrets of our existence. As Jews, we believe in life. As Jews, we sanctify life by keeping alive the memory of those who came before us.

This is a very special and personal moment. It is a source of strength. May God give us the wisdom to understand that birth is a beginning and death a destination. Life is a journey, a going, a growing from stage to stage, from birth to life everlasting.

May the memories of our loved ones be a blessing to the world and to each one of us.

Rabbi Uri Goren

“Friends of Temple” are non-members of Temple Avodah who recognize the importance of helping to maintain a synagogue in our community and have made contributions toward that end. The contribution made by a “Friend of Temple” this year will enable us to memorialize the names of their loved ones next year. Please specify your listing with your contribution on the Yiskor card you have been given.
